Are glass sunroom walls retractable?

Unlike most glass sunrooms,our glass sunroom walls are retractable,so you can open and close them as you please. You can bridge together the indoors and outdoors with a stunning sunroom extension in your home. Today,we're proud to offer these time-tested,high-quality products to Canadian homeowners.

Where are glass sunrooms made?

Glass sunrooms for our Canadian customers are produced at our world-class manufacturing facility in Vaughan,Ontario,just north of Toronto. Our Canadian team handles every aspect of your patio enclosure order,from manufacturing to installation. We'll make sure you're satisfied every step of the way.

What is a Lumon glass sunroom?

Create a hub for your home where you can stay cozy and comfortable. A Lumon glass sunroom is an all-occasion room for relaxing,entertaining,working and simply sitting down together. Our frameless retractable glass is our most stunning and elegant terrace option. All of our sunrooms are fully customizable to suit your own personal style and needs.

What can a glass sunroom do for You?

Imagine a glass sunroom that allows you and your family to spend more time outdoors. Enjoy breakfast outside,send your children out to play,and entertain friends--even when the weather is cool,wet or windy.
