How many parastatal companies are there in Cameroon?

According to the 2022 IMF report, over 150 parastatal companies, including about 60 SOEs, deliver essential services such as energy, oil and gas, agriculture, finance, and transport. In total, Cameroon's SOE assets amount to approximately \$8 billion, which is about 20 percent of GDP.

What is Cameroon e-procurement system?

In 2018, the government created an online procurement management system, Cameroon On-Line E-Procurement System (COLEPS), now operational. The e-procurement portal is an electronic procurement management tool for companies.

What is corporate governance like in Cameroon?

The Cameroonian government struggles to enforce laws in relation to human rights, labor rights, consumer protection, and environmental protection. There is little corporate governance law in Cameroon, and very few companies are open to portfolio investment.

Does gecam have an Arbitration Center based in Douala?

GECAM has an arbitration center based in Douala. In principle, local courts have the power to recognize and enforce foreign arbitral awards issued against the government. OHADA standards prevail over domestic laws. An international arbitration award can prevail especially if operating through the OHADA framework.

This paper meticulously assesses a novel hybrid energy system specifically engineered to meet the diverse energy needs of Douala, Cameroon.

a bustling open field in Douala transformed into a maze of repurposed shipping containers, each humming with cutting-edge battery technology. This isn't sci-fi - it's the reality of modern ...

The Cameroon Douala Energy Storage Battery Project demonstrates how smart energy infrastructure can power economic growth while meeting climate goals. As battery costs keep ...

But thanks to a Cameroon MW energy storage container quietly humming nearby, life-saving equipment stays online. This scenario isn't sci-fi--it's happening right now.

According to the World Bank, it takes 14 procedures and 82 days to establish a foreign-owned limited liability
