Which Portakabin building options are available?

Take a look at the full range of Portakabin building options available, from standalone cabins to multi-storey modular buildings perfect for practically any purpose.

What are Portakabin steel framed buildings & cabins?

Portakabin steel framed buildings and cabins combine the performance you'd expect from a traditional building with all the speed, simplicity and efficiency that only prefabricated, modular construction can offer.

What can Portakabin do for You?

From single, standalone cabins to multi-storey modular buildings on any scale; you can have the building you need, delivered on time and on budget from Portakabin.

What are kovobel storage containers?

Kovobel storage containers have a host of advantages over more traditional options like steel shipping containers or other comparable storage solutions: They are easy to transport and relocate/assemble/disassemble. They are perfect for tradesmen, farmers, schools, house builds, and home storage solutions. Assembly takes a maximum of 1 hour.
