What are Euro boxes & containers & crates?

Ideal for all industry applications, our Euro Boxes, Containers and Crates offer stable stacking and effective product protection in storage and distribution. Euro stacking containers are space saving by design and also manufactured to fit euro pallet sizes.

What are Euro containers?

Euro containers are plastic vessels whose basic dimensions conform to the Euro format. They are based on the distribution of surface area that is set at 120x80 cm or 120x100 cm. Every Euro container, no matter its base dimensions, can be placed precisely onto the surface area of a Euro pallet thanks to its flush arrangement.

What is a Euro container case?

One interesting variation is the Euro container case, a practical product that is created by adding a lid, hinges and one or two handles to a standard Euro box. Euro containers with closed side walls for universal applications.

What are Euro stacking containers?

Euro stacking containers are space saving by design and also manufactured to fit euro pallet sizes. Heavy duty, the euro stacking containers have an excellent volume capacity due to their straight sides. Many of our euro stacking storage boxes are available in a range of colours, branded and with or without lids.
