Where can I find a high-voltage circuit breaker?

Please refer to our Privacy Policy for details on how DirectIndustry processes your personal data. Find your high-voltage circuit breaker easily amongst the 67 products from the leading brands (Allen Bradley, Redler Technologies, Pomanique, ...) on DirectIndustry, the industry specialist for your professional purchases.

What is a high voltage circuit breaker?

A high voltage circuit breaker is an electrical device designed to protect high voltage power systems by interrupting the flow of electricity during fault conditions, such as short circuits or overloads. It operates by detecting abnormal current levels and quickly opening the circuit to prevent damage to equipment and ensure safety.

What are the different types of high voltage breakers?

We classify our high voltage breakers primarily into: live tanks and disconnecting circuit breakers (DCBs); and dead tanks and dead tank compact (DTC). Both categories include Blue products which use zero F-gases. Let's take a closer look on our circuit breakers!

What are Mitsubishi Electric high voltage circuit breakers?

Mitsubishi Electric High Voltage Circuit Breakers offer protection and isolation of critical power transmission infrastructure and equipment. Substation equipment often costs millions of dollars and the reliability and safety of these assets largely depend on power circuit breakers.

High Voltage Gas Insulated Circuit Breakers - Mitsubishi Electric offers reliable and customizable high voltage circuit breaker for power transmission infrastructures. Contact us now!

Hitachi Energy offers a comprehensive range of high-voltage switchgear and breaker solutions up to 1200 kilovolts AC and 1100 kilovolts DC.

We supply a wide range of new and refurbished low voltage power distribution switchgear products, designed and manufactured to your requirements with ACB, MCCB or fuse linked ...

We offer our full range of refurbished HV & LV Switchgear options for time-sensitive projects. All our Switchgear equipment is fully refurbished by our ...

Explore our gas-insulated high-voltage circuit breakers designed for grids, urban, offshore, and renewable

energy projects. Reliable and innovative solutions.

We offer the largest selection in the industry, from the latest NSXm Moulded Case Circuit Breaker (MCCB) to the high-current Masterpact Air Circuit Breaker (ACB) range.

Find new and used High Voltage Air Circuit Breakers for sale from suppliers near you. General Electric, Westinghouse, Ite and more.

As the UK's leading supplier of refurbished 11kV switchgear, our stock includes every common UK installed 11kV switchgear type, including SF6, vacuum & oil insulated circuit breakers, ...
