Where can I find cold storage containers for sale near me?

Conexwest delivers a complete inventory of cold storage containers for sale near you. Use our interactive map to discover shipping containers for sale near you. Our exhaustive network and diverse geographic advantages secure cost-effective cold storage refrigerated containers, high-quality service, and direct delivery in your area.

What size refrigerated shipping containers are available?

The two standard sizes of containers are 40 ft and 20 ft, and we can help you figure out which length suits your needs better. Also, depending on your budget, we have a selection of new, refurbished, and used cold-storage refrigerated shipping containers for sale, all of which have their own benefits.

What is a Super freezer container?

Super Freezer Containers, often referred to as ultra-low temperature (ULT) containers, are highly specialized shipping containers designed to achieve and preserve products at an extremely low temperature. They typically range from -40°C to as low as -80°C or even colder. Some of the products that can be transported inside these containers are:
