Unveiling the all-in-one 40 Watts LED Solar Street Light. Features a high-capacity rechargeable lithium battery pack, a savvy charge controller, an infrared motion sensor, and a dusk-to-dawn ...

Powered by Osram SMD3030 LEDs, it delivers superior brightness while consuming less power, allowing it to maintain full luminosity far longer ...

The solar panel has high photoelectric conversion efficiency for fast absorption and fast charging. Along with the high capacity reliable battery and LED lights, the 40W solar-powered LED ...

Powered by Osram SMD3030 LEDs, it delivers superior brightness while consuming less power, allowing it to maintain full luminosity far longer than competing solar street lights that rely on ...

40W solar street light with shingled solar panel, SMD 5050 super bright Led solar lights, outdoor IP65 waterproof solar road light with PIR motion sensor, dusk to dawn security ...

40W solar street light with shingled solar panel, SMD 5050 super bright Led solar lights, outdoor IP65 waterproof solar road light with PIR motion sensor, dusk to dawn security light perfect for ...

This innovative solar street lighting design maximizes utility of solar energy while maintaining desired lighting distribution using a swivel attached solar panel.

Introducing 40W Solar LED street light. With more than 10 hours lighting time. It can last for seven days when fully charged. Ideal for security for filling stations, Homes, Business ...
