What is a 2 story container house?

A two-story foot container with a rooftop deck, open layout, and versatile living area. This shipping container house offers ample space for relaxation and entertaining, blending style with modular home innovation. Our two story container home buildings are designed with resilience, sophistication, and efficiency in mind.

How to ship a container to Mauritania?

To ship a container to Mauritania, you can do so in FCL (Full Container Load) or LCL (Less than a Container Load) shipment at the best rate with iContainers*. iContainers operates in 2 ports in Mauritania from the United States and in 2 ports in Mauritania from Spain for ocean freight transport.

What are custom container home design options?

Our custom container home design options empower you to create your dream home from start to finish. Choose from a range of house plans, finishes, and add-ons to align with your vision. Popular upgrades include energy-efficient systems, personalized interiors, and off-grid capabilities.
