Will Delhi's first standalone battery energy storage system improve power supply?

Delhi's first standalone battery energy storage system will enhance power supply for 100,000 consumers, ensuring reliability during peak demand and outages.

Which energy storage solutions provider has commissioned BSES Rajdhani kilokari substation?

AmpereHour Energy, a full-stack energy storage solutions provider, in consortium with Indigrid, has commissioned BSES Rajdhani Power Ltd's (BRPL) 20 MW/40 MWh battery energy storage system (BESS) project at the BSES Rajdhani Kilokari Substation in Delhi.

How will Delhi's energy storage system help reduce power outages?

The government intends to replicate this model across Delhi to eliminate power outages, particularly during peak demand periods. The advanced energy storage system brings several benefits, including improved grid reliability, better power purchase efficiency, and seamless integration with renewable energy sources.

What is Viability Gap Funding (VGF) scheme for battery energy storage systems?

The Union Cabinet approved the Viability Gap Funding (VGF) Scheme for Battery Energy Storage Systems (BESS) on 6th September 2023, to support the development of BESS. As per the Scheme, VGF support will be provided for BESS approved during 2023-26.

In a significant step toward India's clean energy transition, AmpereHour Energy, in collaboration with Indigrid and BSES Rajdhani Power Limited (BRPL), has successfully ...

New Delhi: The Centre has approved a Viability Gap Funding (VGF) scheme worth INR5,400 crore to support development of 30 gigawatt-hours (GWh) of Battery Energy Storage ...

Delhi marked a major leap in urban energy infrastructure with the inauguration of a 20-MW (40 MWh) Battery Energy Storage System (BESS) at Kilokari, deemed the "largest" ...

A 20 MW battery energy storage system in South Delhi will enhance grid stability, integrate renewables, and supply four hours of ...

Once operational, it is expected to directly benefit around one lakh residents in South Delhi's Ashram area by easing peak-hour ...
