Who is Nordic batteries?

At Nordic Batteries we assemble and manufacture customized battery- and energy storage solutions to drive your business forward. Based on our market and technological expertise we deliver solutions powering the green shift for key industries. High energy battery module produced in Norway from norwegian battery cells.

Are Nordic batteries looking for a development engineer?

Nordic Batteries are seeking a development engineer for mechanical construction and system design. Factor 47 is operative! The pilot line where Nordic Batteries will produce their first battery modules is now officially open after the visit from former Prime Minister Erna Solberg where she cut the banner to kick it off.

What are outdoor Telecom cabinets?

Our outdoor telecom cabinets are designed to protect your sensitive network equipment from harsh environments where equipment may be exposed to dust or water. For added protection, there is a water and dust proof polyurethane door joint strip.

What is the best material for a battery cabinet?

Durable Materials: Choose from galvanized steel, stainless steel, or aluminum for superior corrosion resistance and longevity. Robust Ratings: Available in IP55, IP65, NEMA 3R, NEMA 4, and NEMA 4X ratings, perfect for outdoor electrical, telecom, and battery cabinet applications.

Designed to house a variety of communications equipment, CUBE customers take advantage of our engineering and factory integration for complete turn-key solutions. The CUBE product line ...

We are committed to providing solutions for mobile operators, telecom integrators, and the IT industry. KDST's product line includes outdoor telecom cabinets, Energy Cabinets, base ...

Our NEMA 3R to 4X enclosures are engineered for durability, offering reliable protection in harsh environments and extreme weather conditions. From scorching desert heat to high-altitude, ...

Explore top-of-the-line outdoor industrial enclosures and telecom cabinets with advanced design features - industry-leading products setting the standard for excellence.

Custom manufacturer of sheet metal cabinets for electronics components, energy storage systems, and testing
