We have two distribution centers to serve Central & Eastern U.S. with high stocking levels & shipping options. We are here for a long-term partnership with our clients.

Ready to harness solar power? Contact our team today to discuss your solar energy needs and discover how our solar pv containers can power your business sustainably.

High-efficiency Mobile Solar PV Container with foldable solar panels, advanced lithium battery storage (100-500kWh) and smart energy management. Ideal for remote areas, emergency ...

We make mobile solar containers easy to transport, install and use. Make the next step towards renewable energy with our Solarcontainer! The challenges of our time are more present than ...

LZY Solar Containers use proprietary folding panel technology to maximize power generation while maintaining standard shipping dimensions. Our systems are faster to deploy, generate ...

While traditional stationary solar power systems are normally cumbersome to install and difficult to relocate, folding PV containers make use of innovative articulated panels ...

Highjoule"s mobile solar containers provide portable, on-demand renewable energy with foldable photovoltaic systems (20KW-200KW) in compact 8ft-40ft units.

The innovative and mobile solar container contains 200 photovoltaic modules with a maximum nominal output of 134 kWp and, thanks to the lightweight and environmentally friendly ...
