Why do schools need storage containers?

When schools need more space for new construction, expansion or other needs, storage containers and modular buildings provide additional storage and workspace for students and staff. Our secure shipping containers are ideal for storing seasonal equipment and maintenance supplies.

How do I buy a 40-foot container?

Here are the steps to purchase a 40-foot container: **Buying Directly:** The simplest method is to buy a new or used 40-foot container from a reputable seller. This allows you to own the container outright, providing a long-term solution for your storage or shipping needs.

What is a 40-foot shipping container?

The 40-foot shipping container is more than just a metal box--it's a symbol of innovation, versatility, and resilience. With standard dimensions, durable construction, and a world of customization options, it's easy to see why these containers are in high demand across industries and applications.

How do you maintain a 40 foot shipping container?

A 40-foot shipping container is built to withstand extreme conditions, but like anything else, it requires basic maintenance to stay in top shape. **Inspect Seals:** Regularly check rubber door gaskets for cracks or wear that could allow moisture intrusion.
