Our Hybrid Solar Container offers unmatched scalability and precision for operational needs, making it an ideal choice for army bases, disaster relief zones, and remote off-grid ...

HJ-SG Solar Container provides reliable off-grid power for remote telecom base stations with solar, battery storage and backup diesel in one plug-and-play solution.

Each solar-powered shipping container generator is transportable, securable, and can be fully customized to your specific needs, including hybrid and ...

Each solar-powered shipping container generator is transportable, securable, and can be fully customized to your specific needs, including hybrid and microgrid compatibility.

The HJ-SG-R01 series communication container station is an advanced energy storage solution. It combines multiple energy sources to ...

Perfect for communication base stations, smart cities, transportation, power systems, and edge sites, it also empowers medium to high-power sites off-grid with an energy-efficient, hybrid ...

The HJ-SG-R01 is designed to integrate multiple green energy sources such as solar, wind power, and diesel generators. This makes it ideal for ...

EK-SG-R01 is a large outdoor base station with large capacity and modular design. This series of products can integrate photovoltaic and wind clean energy, energy storage batteries, and ...
