Are battery cabinets NEMA & IP rated?

It is important to note that the NEMA and IP rating varies depending on where you will install the enclosure. A range of outdoor energy storage battery cabinets and outdoor lithium battery cabinets are available in standard and custom configurations, can be pole-mounted or ground-mounted.

Why are weatherstrong™ outdoor cabinets made of all-weather materials?

That's why WeatherStrong™ Outdoor Cabinets are built with all-weather materials that resist fading, warping, and cracking, even in tough coastal conditions. From sunny days to sudden downpours, our cabinets are made to handle it all while looking beautiful year after year.

Are garage cabinets built for the elements?

Celebrate the season outdoors with cabinets built for the elements and designed for every gathering. Transform a garage into a tidy, functional space with durable, easy-clean cabinetry that's built to handle real life. Built to beat the heat, resist rust, and handle the harshest elements--and proudly backed by our Limited Lifetime Warranty.
